# BINGO

**BREAST  
CANCER  
NOW**

**AFTERNOON TEA™**

## HOW TO PLAY

- 1. Choose how much you're going to charge people to play.** Everyone should pay the same – we suggest £2 a round. Players can have multiple goes, but they shouldn't spend more than £8.
- 2. Print out a bingo card or 2 for each player.** Make sure everyone playing has a different card!
- 3. Use a random number generator to choose numbers from 1 to 75.** Or if you're really getting into the spirit of the game, use some ping pong balls or pieces of paper.
- 4. Make sure everyone knows they need to shout "bingo!"** If they're the first to get a horizontal, vertical or diagonal line - and finally a full house.
- 5. Draw the numbers and play!** You can play just for fun, or have some small prizes for each line and the full house.

**Please remember you should only play this game in person at your Afternoon Tea event.**
