How to play

1. Take a peek into our hat drawer...
2. Ask your guests to guess how many pink hats are in the drawer. We suggest players donate £2 to play. But if they can't, that's OK too.
3. Once all the guesses are in, reveal the winner. The person with the best guess could win half the money or a prize of your choosing.
4. The rest of the money will help fund our life-saving science and life-changing support.

GUESS IT PINK

Guess how many pink hats are in the drawer.
Help change the future of breast cancer.
