PIN THE LID ON THE TEAPOT

Raise money. Help make life-changing science and support happen.

How to play:

- 1.** We suggest that players make a donation of £2 to play, but if they can't, that's okay too.
- 2.** Ask your guests to write their name on one of the cut-out teapot lids and add some Blu Tack.
- 3.** They need to close their eyes and try to stick the lid on the teapot. No peeking! The closest to the target wins the game.
