

PINK RIBBON WALK

ADMIN SUPPORT VOLUNTEER

Join the team and help support our Pink Ribbon Walks! We need enthusiastic volunteers to help us make sure our fabulous fundraising events run smoothly.

We're expecting hundreds of walkers to take part across our 10 and 20 mile Pink Ribbon Walks. You'll be volunteering as part of the Pink Ribbon Walk team, helping to make sure our walkers feel engaged and valued while they raise funds for our world-class research and life-changing support.

What will I be doing?

- Making calls to our Pink Ribbon Walk walkers, to thank them for their support, chat about their fundraising, and any event day questions they may have
- Supporting the staff team with admin tasks like answering emails
- If you choose to come into the London office you can help with other things in the run up to the events, like making up lanyards or printing and checking kit lists
- We're open to discussing tasks based on your interests and the experience you'd like to gain

What skills or qualities do I need?

- Bags of enthusiasm!
- Happy to work independently from home or in our London office
- Your own secure mobile or telephone, and a laptop or PC, with basic IT skills
- Flexibility – we'd like you to give around 2 hours a week, through February – June. You can choose when you volunteer

What do I get out of it?

- The opportunity to support and be part of the Pink Ribbon Walk team
- A sense of achievement from making our supporters feel appreciated and connected to Breast Cancer Now
- You'll chat to people from a wide range of backgrounds and experiences
- Using and developing your communication skills to help support a major fundraising event

What training and support will I get?

- Full training from the Pink Ribbon Walk team
- You'll have a key staff contact who will support you with any queries
- We'll refund all pre-agreed expenses
