How to play

1. Pick a winning number from 1 to 20 and write it on the top right-hand corner of this sheet. Fold it over so no one can sneak a peek!
2. Ask your guests to write their name in one of the boxes below. Ask people playing to give a suggested donation, like £3 or £5, but if they can't make a donation, that's fine too
3. Once the sheet's full and the money's in, you can reveal the winner! They can win half the money or a prize of your choosing.
4. The rest of the money will help fund our life-saving science and life-changing support.
