

Suggested

£2

a guess

Test tube sweepstake

Guess how many test tubes there are, raise money and help fund our life-saving research.

How to play

- 1 We suggest that players make a donation of £2 to play, but if they can't, that's okay too.
- 2 As soon as everyone has had a guess (there's no limit so be sure to encourage everyone!) it's time for the organiser to reveal the answer.
- 3 The winner could win half of the money or a prize of your choosing. The remaining money will help fund world-class research and vital support.
