### How to play

1. We suggest players donate £2 to play. But if they can't, that's OK too.
2. When everyone's had a guess, you can reveal the answer. And don't forget, guesses aren't limited, so get everyone involved!
3. The person with the best guess can win half the money or a prize of your choosing. The rest of the money will help fund our life-saving science and life-changing support.
