Care:

- Danni

Patient reps:

- Mary Huckle
- Clover Lewis

MPs/Peers:

- Sharon Hodgson (plus Sam and Daniel from her office)
- Jo Churchill
- Craig Tracey
- Baroness Massey

Notes

- Sharon suggested that Baroness Massey be elected as a Vice Chair of the group, Jo seconded this.
- AC ran through the proposal plan for the APPGBC inquiry
- Everyone agreed with the proposed plan and scope of the inquiry
- Sharon and her office thought that the outcomes would be very interesting and said that they would be happy to help with sending invites as and when needed
- Baroness Massey mentioned that there were Peers that she could suggest to be invited/involved in the inquiry
- The idea of asking MPs to help with local authority engagement was discussed and decided this could be a useful way to engage stakeholder with the inquiry
- Delyth spoke about Cancer Alliances – will be interesting to engage with them and keeping an eye on STP plans and how these develop
- Mary and Clover (two patient representatives) concluded the meeting by talking about their experiences of breast and why it's still vital for Parliamentarians to keep this as a priority.
