# WORKING FROM HOME BINGO

**BREAST

& care charity

Hosting a fun working from home bingo game is a great way to have fun and fundraise with colleagues, and it's simple to organise.

Find out more in our simple guide below.

## How to play

- 1 Choose a prize**  
A silly game deserves a silly prize! Just make sure it's something you can easily send to the winner.
- 2 Pick a date and time**  
You can then invite all your contacts to take part in your WFH Bingo, letting them know to all start playing at your chosen date and time and to send you their completed bingo sheet to be in with a chance of winning.
- 3 Share your JustGiving Page**  
While people don't have to donate to enter, they can make a donation if they wish to. By sharing your JustGiving page, it's easy for people to donate as the fundraising comes straight to Breast Cancer Now and goes towards your total!
- 4 Announce your winner**  
When the winner sends you their completed WFH bingo sheet announce the name of the winner to everybody who has taken part. You could encourage them to share any funny anecdotes they picked up whilst filling it out!
