What better way to get into the Christmas spirit than by getting cosy indoors with a festive craft fundraiser?

Whether you're crafting gifts to sell to friends and family, getting loved ones together virtually with a donate-to-take-part decoration making session, or even running your own online Christmas craft workshop for all your elves in exchange for donations, we've got plenty of ideas to help get you started.

'Tis the season of giving

Whatever you choose to do, set up a JustGiving page to make it quick and easy to collect donations. Drum up support by sharing your page on social media - and don't forget to upload photos of what you make!

And if you're holding a virtual craft session, why not give your fundraising a festive boost by holding a Christmas themed quiz or fancy dress competition as well?

Here are some of our favourite Christmas ideas to help you spread some festive joy whilst raising money for our world-class research and life-changing care:

1

Christmas cards

Gather card, pens and glitter for that Christmas sparkle. Whether you're a craft connoisseur or first time felt-tipper, your handmade cards will be a thoughtful way of connecting with loved ones this festive season. Sell your cards online to friends and family for a suggested donation.

2

Bauble making

Whether you make these classic Christmas tree decorations out of felt, air dry clay, salt dough, paper, or even wood, you'll be feeling the festive spirit in no time! You could even make boob baubles to make them relevant to the cause.

3

Edible Christmas treats

Whether it's truffles, candy canes or the Christmas classic, gingerbread men, sweeten up your festive offering with some tasty treats. Start baking and sell them to your loved ones, they can enjoy the treats themselves or gift them onwards. If you fancy yourself a star baker, challenge yourself to build a gingerbread house!

4

Knitting and crochet

From knitted Santas and baby booties to crocheted Christmas trees, sell them to your friends and families to gift them on as the perfect handmade stocking filler. Or why not make stockings for people to buy?

5

If you're a dab hand at embroidery

Pick up some cheap tea towels or tote bags and make them beautiful. Sell these on as unique Christmas gifts.

6

Homemade wreaths

There's nothing like hanging a wreath on your front door to 'ring in' the Christmas season. Grab some wreath rings and go conventional with evergreens or craft it out of whatever materials you have handy - sell them to your neighbours and make your street stand out!

7

Festive face masks

While Christmas looks a little different this year, why not spread some joy and put a festive twist on your face masks? Rudolph red noses or stand out with a pink twist on festive prints, they'll sell out in no time!
