WANT TO TRY SOMETHING DIFFERENT NEXT TIME YOU’RE ON THE GREEN? TAKE ON OUR GOLF CHALLENGE. WHETHER YOU SPEND ALL DAY PUTTING FOR GOLD WITH 54 HOLES, OR SWING FOR SILVER WITH 36, GETTING INVOLVED IS EASY - JUST FOLLOW THESE SIMPLE STEPS TO TAKE PART.

Teaming up or flying solo?
You can choose to do the challenge solo or, in teams of up to 4 people. Either way, only one person needs to sign everyone up – just click here to register for the silver or gold golf challenge.

Pick a course
Check in with your local club and tell them you’re taking part in a fundraising challenge for Breast Cancer Now - they might even offer you reduced green fees. You can request a letter of authorisation to show them, too - just ask us and we’ll send one out to you.

Pick a date
Make sure you’ve booked your date with your course in advance as well as your tee times for each round. It will help things run extra smooth on the big day.

Start fundraising
The easiest way to raise money is by creating a JustGiving page. You can tell people why you’re raising money and how to sponsor you as you take on your gold or silver challenge, and easily share it across social media. Have a look at our online fundraising guide for some tips on how to make the most of fundraising through JustGiving.
TOP 5 TIPS TO MAKE THE DAY AS ENJOYABLE AS POSSIBLE

1. Be prepared
Set the times for each round to tee off in advance and be sure to give yourself enough time for each one. Starting early is the best idea – it’s going to be a long day!

2. Snacks, water and sun cream
You’re in this for the long haul so make sure you stay hydrated with plenty of water and refuel with snacks throughout the day. A towel, waterproof, sun cream and blister kits are all great things to bring along too.

3. Keep it comfy
Make sure you’re in some comfortable clothing for the day – especially your shoes. You’ll be walking a lot, so make sure the pair you pick are well worn in.

4. Get kitted out
Make sure you’re ready with some Breast Cancer Now golf goodies! Talk to us before the big day and we can send you t-shirts, pencils, score cards and pink golf balls to use as you putt away.

5. Have fun
All of us here at Breast Cancer Now hope you have a brilliant day out together on the green. Remember, with every swing of your club you’re making a huge difference for people affected by breast cancer.
Thank you so much for clubbing together with this challenge. The money you raise is going to help provide vital support for today and real hope for the future, for anyone affected by breast cancer. And if you do need some help or want to talk through your plans, we’re all ears.
